On the same day were held similar services in the Vernal ward meeting-house for Elder John Wentworth Mott The latter had not lived long in Vernal, having moved here within the past two or three years from near Salina vier county, but owing to the fact that several of his sons have lived here a good many years, and have reared families here, he seemed like one of our old residents.

Yesterday the whole community was shocked inexpressibly by the death of Sister Mary Jane Tyzack, wife of Mary Jane County Assessor Herbert Tyzack. ter Tyzack was the daughter of Hamilon Garrick and Elizabeth Garrick, was born at Gunnison, Utah, and was 38 years of age in September last. She was the mother of seven children, the eldest 17 years of age, the youngest six months, all of whom and a devoted husband mourn her demise. The matter was laid on the table for the reason that Mr. Bean's resignation had not been presented to the council, a number of the council-men being of the opinion that it should have been presented to the mayor and the city council.

An order was made that the services of the fire teamster and the city teamster, W. W. Conover and Robert M. Boardman Jr., be dispensed with after April 20, and that Abe Johnson and Sam Snyder be employed to fill the va-cancies. These changes, and the prob-able change in the chief of the fire department, are made on account of the lisagreements that have existed for some time between the fire department employes and the council, and caused an order asking for the resigna-tion of the chief and the teamsters to be made by the council about six weeks
